

NEIGHBORHOOD NEWS

The Historic Heights Neighborhood Association (HHNA) is a volunteer organization consisting of members of our community striving to promote neighborhood awareness, strengthen community bonds, and preserve the identity of our beautiful historic neighborhood. These things in turn help enhance homeowners' property values and increase community safety.

WELCOME WAGON

In 2026, we plan to initiate a welcome wagon program whereby new neighbors are formally welcomed into the neighborhood with a gift basket and HHNA introductory info. Maura Strickler was good enough to identify two homes purchased this past autumn, listed below, which have already or will receive new neighbors whom we would like to greet. If and when you become aware of these occupancies, or any others in the future, please let us know so an introduction to the neighborhood may be arranged.

8015 Hillcrest ... sold - 10/15/25

7939 Hillcrest ... sold - 09/30/25
